Block A: Denotes standard SBA office code.

Block B: The first two digits reflect SBDC number; the second three reflect subcenter (see handbook for codes).

Block C: Reflects unique client numbers - required on all follow-up counseling.

Block D: Complete as appropriate.

Block E: Must be completed.

- 1) One-time: Any counseling session (minimum of one hour) expected to require only that single session.
- 2) Initial: Any counseling session (minimum of one hour) expected to require another session. This opens a case and places that case on the Client List.
- 3) Follow-On: Any non-final counseling provided to a client who has already received either an Initial or One-Time counseling session.
- 4) Follow-On Release: Any final counseling provided to a client who has already received either an Initial or One-Time counseling session (This closes the case and removes it from the Client List).
- 5) Admin. Closure: This closes an open case and removes it from the Client List when no further counseling is anticipated.
- 6) Chng Clt Info: To change or correct any previously entered information pertaining to the client - provide corrections in appropriate blocks.
- 7) Chng Cns Info: To change or correct any previously entered information pertaining to a specific counseling session.

Block F: Complete as available. If unavailable, put N/A.

Block G: Complete as appropriate.

Note: Blocks H - R are only required for Initial and One-Time Cases.

Block M: Indicate predominant type of business.

Block N: Optional - identify predominant business.

Block O: Indicate any type of SBA financial relationship the client may have. If none, so indicate.

Block P: Indicate sex of owner/inquirer with 51% ownership. If joint ownership, indicate male/female.

Block Q: Must be completed for all clients, including white.

Block R: Must be completed for all clients.

Block S: Indicate the one predominant type of counseling provided.
